The Campaign Finance Program provides that campaign funds may be used only to further a candidate's nomination or election. See N.Y.C. Administrative Code §§ 3-704(1), 3-710(2)(c) and Board Rules 1-03(a), 1-08(g), and 5-03(e). For expenditures made after the election by participants who received public funds, the Program's standards are even more stringent. See N.Y.C. Administrative Code § 3-710(2)(c) and Board Rule 5-03(e). The Board, upon its own initiative, is considering whether to issue an advisory opinion to elucidate what types of expenditures the Board considers impermissible and non-campaign related, both during and after the election.
